## INDEPENDENT AUDITOR'S REPORT

---

To the Directors of Justice Centre for Constitutional Freedoms

### *Qualified Opinion*

We have audited the financial statements of Justice Centre for Constitutional Freedoms (the Organization), which comprise the statement of financial position as at December 31, 2019, and the statements of operations, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the *Basis for Qualified Opinion* section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as at December 31, 2019, and the results of its operations and cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO).

### *Basis for Qualified Opinion*

In common with many charitable organizations, the Organization derives revenue from donations, the completeness of which is not susceptible of satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the Organization and we were not able to determine whether any adjustments might be necessary to contributions, excess of revenues over expenses, current assets and net assets. Our audit opinion on the financial statements for the year ended December 31, 2018 was modified accordingly because of the possible effects of this limitation of scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Organization in accordance with ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

### *Responsibilities of Management and Those Charged with Governance for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with ASNPO, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

(continues)

Independent Auditor's Report to the Directors of Justice Centre for Constitutional Freedoms (continued)

*Auditor's Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

# JUSTICE CENTRE FOR CONSTITUTIONAL FREEDOMS

## Notes to Financial Statements

Year Ended December 31, 2019

---

### 1. PURPOSE OF THE ORGANIZATION

The Justice Centre for Constitutional Freedoms ("JCCF" or the "Organization") is a not-for-profit organization incorporated federally under the Canada Corporation Act on October 4, 2010 and continued under the Canada Not-for-profit Corporations Act. As a registered charity the Organization is exempt from the payment of income tax under Section 149(1) of the Income Tax Act.

The mission of JCCF is to protect and promote Canada's core principles of freedom and equality through education and litigation.

---

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Basis of presentation

The financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations (ASNFPPO).

#### Cash and cash equivalents

Cash includes cash funds held at the entity's bank and any term deposits with a maturity date less than 90 days.

#### Marketable securities

Marketable securities, which consist primarily of mutual funds, are carried at fair market value.

#### Property and equipment

Property and equipment are stated at cost less accumulated amortization. Property and equipment are amortized over their estimated useful lives at the following rates and methods:

Computer equipment	55%	declining balance method
--------------------	-----	--------------------------

The Organization regularly reviews its property and equipment to eliminate obsolete items.

#### Measurement uncertainty

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Such estimates include allowance for doubtful accounts, estimated life of capital assets, and some accruals which are periodically reviewed and any adjustments necessary are reported in earnings in the period in which they become known. Actual results could differ from these estimates.

#### Goods and Services Tax

Contributed materials and services are recoverable at 50% as a rebate. The unrecoverable portion is recorded as an expense with the rebate treated as a receivable.

## Notes to Financial Statements

Year Ended December 31, 2019

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

#### Revenue recognition

The Justice Centre for Constitutional Freedoms follows the deferral method of accounting for contributions.

Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Investment income is recognized as revenue in the year in which it was earned.

All other donations and receipts are recognized as revenue when they are received. Donations received by mail within two weeks following year-end are recorded as revenue in the current year as long as the cheque and envelope are dated in December.

#### Donated goods

Donated goods (including publicly traded securities) are recorded at their fair market value at the time of the donation. During the year, \$1,050 (2018 - \$64,280) in goods were donated.

#### Contributed and Volunteer Services

The JCCF benefits from pro bono legal assistance and advice received from more than 20 lawyers across Canada. The fair market value of these legal services is difficult to calculate with accuracy, and these services have not been recorded within these financial statements.

#### Financial instruments policy

Financial instruments are recorded at fair value when acquired or issued. In subsequent periods, financial assets with actively traded markets are reported at fair value, with any unrealized gains and losses reported in income. All other financial instruments are reported at amortized cost, and tested for impairment at each reporting date. Transaction costs on the acquisition, sale, or issue of financial instruments are expensed when incurred.

Financial assets measured at amortized cost include cash and GST receivable.

Financial liabilities measured at amortized cost include accounts payable and accrued liabilities.

Marketable securities are measured at fair value.

### 3. PROPERTY AND EQUIPMENT

	Cost	Accumulated amortization	2019 Net book value	2018 Net book value
Computer equipment	\$ 1,370	\$ 1,370	\$ -	\$ -

### 4. ECONOMIC DEPENDENCE

The JCCF's ongoing operations depend entirely on fundraising results.

**JUSTICE CENTRE FOR CONSTITUTIONAL FREEDOMS**

**Notes to Financial Statements**

**Year Ended December 31, 2019**

---

**5. RELATED PARTY TRANSACTIONS**

Included in the expenditure categories litigation program, education program, and office and administration are \$267,300 (2018 - \$246,328) of expenses paid to [REDACTED] which is owned by John Carpay, President of JCCF.

---

**6. DONATED OFFICE SPACE**

To date, the JCCF has conducted its operations using donated office space. No value of this donated space has been recorded in the records of JCCF.

---

**7. LEASE COMMITMENTS**

The Organization has an operating lease with respect to equipments. The lease term is from May 25, 2019 to November 30, 2024. Future minimum lease payments as at December 31, 2019, are as follows:

2020	\$	7,746
2021		7,746
2022		7,746
2023		7,746
2024		5,934
	\$	<u>36,918</u>

# JUSTICE CENTRE FOR CONSTITUTIONAL FREEDOMS

## Notes to Financial Statements

Year Ended December 31, 2019

---

### 8. FINANCIAL RISK MANAGEMENT

The Organization has a comprehensive risk management framework to monitor, evaluate and manage the principal risks assumed with financial instruments. The risks that arise from transacting financial instruments include credit risk, interest rate risk, liquidity risk, and market risk. Price risk arises from changes in interest rates, foreign currency exchange rates and market prices.

#### Credit risk

Credit risk is the risk of financial loss to the Organization if a customer or counterparty to a financial instrument fails to meet its contractual obligations. The Organization is not exposed to significant credit risk as it only records revenues from its activities when received, as the completeness of revenue is uncertain until collected.

#### Currency Risk

Currency risk is the risk to the Organization's earnings that arises from fluctuations of foreign exchange rates and the degree of volatility of these rates. The Organization is not exposed to foreign currency exchange risk.

#### Liquidity risk

Liquidity risk is the risk that an organization may incur difficulties meeting its financial obligations as they are due. The Organization's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions without incurring unacceptable losses or risking harm to the Organization's reputation.

#### Market risk

Market risk consists of commodity price risk and interest rate risk. The objective of market risk management is to manage and control market risk exposures within acceptable limits, while maximizing returns. Commodity price risk is the risk that the fair value or future cash flows will fluctuate as a result of changes in commodity prices. The Organization is exposed to changes in commodity prices impacted by world economic events as it impacts its donors' willingness to give. JCCF's marketable securities are subject to market risk as the value of the underlying mutual funds change daily. Interest rate risk is the risk that future cash flows will fluctuate as a result of changes in market interest rates. The Organization is exposed to interest rate fluctuations on its cash balances as the rate of interest is at a floating rate or at short-term fixed rates.

---

### 9. SUBSEQUENT EVENT

In March 2020, the World Health Organization declared a global pandemic due to the novel coronavirus (COVID-19). The situation is constantly evolving, and the measures put in place are having multiple impacts on local, provincial, national and global economies.

Management is uncertain the effects of these changes on its financial statements and believes that any disturbance may be temporary; however, there is uncertainty about the length and potential impact of the disturbance.

As a result, we are unable to estimate the potential impact on the Association's operations as at the date of these financial statements.
